Smooth Operator/Sade Tribute

Smooth Operator LA brings Sade's timeless sound to concerts, festivals, casinos, corporate events, and private celebrations

About

Smooth Operator is a premier tribute band dedicated to honoring the timeless artistry of Sade. Fronted by the captivating Jaye Nicole, whose voice channels the sultry elegance and emotional depth of Sade herself, the band delivers a live experience that's both intimate and transcendent.

At the helm musically is Tate Simms, renowned guitarist and musical director whose credits include working with legends like Christina Aguilera, Joe Cocker, and Mary J. Blige. His masterful arrangements and soulful guitar work bring authenticity and sophistication to every performance, ensuring that each note resonates with the spirit of Sade's original recordings.

Together, Jaye and Tate lead a seasoned ensemble of musicians who bring Sade's iconic sound to life—from the jazz-infused sophistication of "Smooth Operator" to the haunting beauty of "No Ordinary Love." Whether performing in upscale lounges, casino showrooms, or festival stages, Smooth Operator LA brings a refined energy that elevates any event.
