About

✓ Smooth Operator: A Premier Tribute to Sade

Experience the timeless cool and sophisticated artistry of Sade Adu with Smooth Operator, Los Angeles's premier tribute band dedicated to her iconic sound. We don't just cover the music; we recreate the intimate, smoky, and transcendent atmosphere that defines a Sade live performance.

At the heart of our sound is the stunning vocalist, Jaye Nicole, whose sultry tone and magnetic stage presence perfectly embody the elegance and emotional depth of Sade Adu. Jaye's captivating delivery transforms every song into an evocative journey, making her the centerpiece of this exceptional tribute.

The band's flawless musicality is anchored by the direction of Tate Simms, a seasoned professional whose impressive credits include work with global stars like Christina Aguilera and Joe Cocker. Under Simms's guidance, our elite ensemble of musicians meticulously recreates the signature blend of R&B, jazz, soul, and pop that defines the Sade catalog.

Our repertoire spans the decades, moving seamlessly from quintessential, sultry classics like "Smooth Operator," "No Ordinary Love," and "Kiss of Life," to deeper cuts that showcase our sophisticated musicianship and arrangement skills. Smooth Operator delivers a performance of elevated musicality and polished presentation that is designed to transform any space.

Whether captivating audiences at major casinos, headlining music festivals, gracing the stages of esteemed performing arts centers, or delivering an intimate show at premier venues, Smooth Operator offers a show that is both authentic and unforgettable. Join us for an evening that is truly No Ordinary Love
